

## Casual Community Service, Crafters, Musicians, Puppy Sewing Program

- Are you interested in a more casual volunteer program?
- Are you a musician interested in playing music in our lobby area?
- Are you interested in being a part of our “puppy sewing” program. Puppy sewers are provided a standard pattern for making the puppies. Stuffed puppies have a long history at Mercy and can be found in many of our departments.
- Are you an individual interested in making prayer quilts or lap blankets for our patients?

Do you have other ideas for short term or one-time projects you can do to support our patients and families?

If casual community service sounds like something you’d like to be a part of, please complete the online application and we will call you to discuss further.

Thank you.
