

Current Visiting Guidelines

We are excited to share we have updated our Visitor Guidelines effective April 3, 2023.

Effective Monday, April 3, masking for COVID-19 is no longer required on campus for visitors, employees or patients. Anyone may choose to wear a mask at their own discretion. Visitors will be expected to comply with Mercy's current infection control practices as appropriate, which may include the use of facial masks. This policy will replace all other Visitor Guidelines (last updated 7.11.2022) until further notice.

If a visitor is displaying respiratory symptoms, such as a cough, they may be asked to wear a mask while in our facility.

To ensure the safety of our visitors, patients, and staff, the following changes are being made:

Effective Monday, April 3, 2023

- **Visitation hours are from 7 A.M. to 8 P.M.**
- **Outpatients allowed one (1) visitor per day per patient**
Unless the patient has a disability that requires assistance. Reference SB1606
- **Inpatients hospital-wide allowed two (2) visitors at a time**
Visitation hours are 7 A.M. to 8 P.M. with some exceptions. Reference SB1606
- **Emergency Department patients may have one (1) visitor at a time**
Due to spacing, one (1) visitor at a time in the patient exam room. Reference SB1606
- **Pediatric patients may have two guardians whether they are in the ED or Pediatric Unit**

Family BirthPlace Guidelines

- **Visiting hours are 7 A.M. to 8 P.M.**
Unless the patient is in active labor, then there are no visiting hour restrictions.
- **Patient is allowed four (4) visitors at a time, including siblings of the newborn**
- **Siblings are welcome, but must be accompanied by an adult at all times**
No overnight stays except for the support person.
- **Surrogate or Adoptive parents are allowed to provide infant care**
- **Special Care Nursery: visitors are restricted to parents only**
